

Changes in Federal CDC STD Grant Data, May 2009

Key:

GISP: Gonococcal Isolates Surveillance Project

SSuN Supplement: STD Surveillance Network, a CDC-funded sentinel surveillance project designed to improve national and local capacity to detect, monitor and respond to emerging trends in STDs and related behaviors.

DA: Direct Assistance ~human resources (Public Health Advisors) who are directly assigned to a jurisdiction in lieu of financial assistance ("FA")

PTC: Prevention Training Centers

CSPS: The primary STD prevention grant to jurisdictions

State	Difference (\$)	Explanation for difference
Alabama	60,873	Reflects a supplement to the GISP and changes in DA as part of the CSPS grants.
Arizona	(-20,660)	Loss of DA
California	355,015	DA increases and supplement to the GISP as part of CSPS grants. Gain in supplement to CA PTC
Colorado	83,939	Increase in SSun supplement offsetting the loss in DA, adding to the gain in GISP. PTC supplements
Connecticut	(-1,607)	Loss of DA
District of Columbia	(-11,190)	DA loss
Florida	132,491	DA gain and PTC supplement
Georgia	(-328,612)	DA loss that did not make up for the GISP supplement
Hawaii	9,900	GISP base supplement
Illinois	174,072	GISP base and DA increase
Indiana	(-6,116)	DA loss
Kentucky	(-173,169)	Loss of DA and loss of extramural
Louisiana	77,612	Loss of DA that was not off set by CSPS supplement and GISP increase.
Maryland	151,177	DA gain
Michigan	9,662	DA loss and GISP supplement gain
Minnesota	25,900	GISP supplement and addition to extramural (unexplained)
Missouri	64,486	DA increase
Nevada	9,900	GISP supplement
New Jersey	11,414	DA increase
New Mexico	79,003	Loss of DA. Increase of extramural (unexplained)
New York	354,396	PTC supplement and SSun supplement in extramural
North Carolina	265,356	DA increase, CSPS supplement, GISP supplement, SE supplement.
Ohio	184,394	DA increase. GISP supplement
Oklahoma	9,323	Loss in DA. GISP supplement.
Oregon	212,030	GISP supplement and NA supplement to NW Portland Area Indian Health Board, +202,130
Pennsylvania	(-1,245)	DA loss. GISP supplement.
South Carolina	41,365	DA loss. CSPS supplement.
Tennessee	58,829	DA increase.
Texas	155,309	DA and GISP supplement increases. PTC supplement increases.
Virginia	75,256	DA increase. SSun supplement.
Washington	64,774	GISP supplement. PTC supplement. SSun supplement.
West Virginia	(-39,780)	DA loss
Wisconsin	32,726	DA gain.
